Transcribing Job

A retired surgeon needs help transcribing and electronically submitting short stories. His vision does not allow him to complete these tasks. He lives in Polaris, and would like a student to spend up to 8 hours a week helping him. He is willing to pay gas money. The amount to be paid per hour on top of gas money needs to be negotiated with him. He would be able to meet you only occasionally in Dillon. Most of the time, you would need to drive to his home in Polaris. Please call (580) 695 7296 in order to speak with him.
